

## **RACER RISK ACKNOWLEDGEMENT AND WAIVER**

As a racer at a Wannagofast event, I understand that Wannagofast undertakes no analysis of the safety or any other technical aspect of my vehicle and, therefore, bears no responsibility for any damage, injury or death which results from a wreck of my car.

I understand that if I “wanna go fast,” then I would be wise to invest in safety equipment before racing down a paved strip at excessive speed. I understand, however, that so long as I vouch for the fact that I have had my car technically inspected, I can race. I understand that the risk of proceeding unwisely is my risk and not the risk of Wannagofast.

I further understand that even with the highest level of safety wisely engineered into my car, injury or death can occur due to an accident at a Wannagofast event, because the potential for injury or death is simply part of the physics of me going fast in my car.

I also understand that any safety recommendations made by Wannagofast are just that; Wannagofast does NOT enforce recommendations. I understand that Wannagofast is not a sanctioning body with technical specifications or requirements for its racers’ cars. I am aware that there are many such sanctioning bodies and that if I need technical information about what such sanctioning bodies recommend for their racers so that I can employ high levels of safety in my car, that I can contact such organizations for such information.

With regard to choosing whether to race side-by-side with another car, I understand that Wannagofast does not vouch for the driving skill or temperament (or any other aspect) of the driver that lines up next to me. I understand that if I want to run solo in order to avoid the risk and uncertainties associated with an unknown driver of unknown skill driving a car of unknown technical status that is completely fine. Wannagofast will allow me to run my race solo. In any event, the risk of the race is mine alone and not Wannagofast’s.

By signing below, I acknowledge the above risks, and as part of the consideration I am paying to participate in the event, I hereby waive any and all rights to make any claim whatsoever against Wannagofast, its officers or its agents, in the event of a crash,<sup>1</sup> and I agree to sign such further waivers and releases as may be requested including a separate RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT.
